

Wales Route 1: **Apprenticeship (All Ages 16+)**

BEFORE YOU START

- 1) You must be employed before you can enrol onto an apprenticeship.
- 2) The apprenticeship training programme typically takes around 4 years to complete.
- 3) You do not pay for your training and will earn while you learn.

APPRENTICESHIP

During your apprenticeship you'll be building practical skills and knowledge both on the job and with a training provider.

Across the four years you'll gain the EAL Building Services Engineering (Level 3) - Electrotechnical Installation C00/4278/8. You'll be assessed on a wide range of performance criteria.

ASSESSMENT OF COMPETENCE

To complete your apprenticeship you'll take the AM2 assessment which tests everything you've learnt during your training.

QUALIFIED ELECTRICIAN

Once you've passed your AM2 Assessment your apprenticeship is complete and you'll be a qualified electrician.
